Dear Sister:

Pat Barter's article arrived special delivery a couple of days after deadline for the current issue of our paper--enclosed.

I thought it was very interesting and had it typed up in the hope we might get it in. But it was also very long. The deciding factor, however was that we like to use a lot of photos and graphics, especially in a long feature--see my 2-page feature which has a cartoon, a photo, several boxes with special information, etc.

We now hope to get the article into the next issue and wonder if you have any photographs or any graphics which would help.

Also, is there anything new on AUCE? Pat through you might be certified in the near future.

We will appreciate any assistance or information you can send us.

In solidarity,

Joyce Maupin
