Dear Sirs:-

Attention Mr.P.A.Lieven.

I beg to confirm your letter of June 1st, and shall be very glad to cooperate with you in connection with your intended "Canada's Foreign Relations" Exhibition, as discussed between Mr. Lieven and Mr. Schafhausen.

Kindly let me know, at your earliest convenience, the exact amount of space which you will be able to place at the disposal of local exhibitors of German products, also whether the articles, while in Ogilvy's care, are adequately insured, and by whom the insurance will be paid.

Yours very truly,

S/D

German Consul General.
