

**INTERDEPARTMENTAL
MEMORANDUM**

TO Rudy Jahelka

FROM A. Zamluk

February 14 1975

As you have been reviewing the desirability of my continuing employment by Systems Services, I have been reviewing my position in this department. I enjoy working with Mr. B. Loptson and Ms. D. Kearney and I find maintaining the Honeywell System interesting and challenging work. The other parts of my work, writing in Mark IV and helping with the new system, have been welcome as I enjoy programming.

However, as I think I have been treated in an unfair manner and see no hope of improvement, I am resigning. I realize my resignation may leave Ms. Kearney in an uncomfortable position and I am sorry for the inconvenience as she has been an honest and straight forward supervisor.

My last day of work will be February 28, 1975.
