Local #4 @ Capilano College

Dear Member;

The June 17 referendum vote for sucession resulted in less than the majority of the membership of your local voting in favour of succeeding from the AUCE Provincial Association.

According to Section 6A of the Constitution, sucession has therefore not been approved by the membership of Local #4:

"The vote shall be by secret ballot. A majority of the Local Association membership shall approve the motion for sucession before it will be considered passed."

The AUCE 9th Annual Convention is being held on June 26 and 27 at the Vancouver Indian Centre. Copies of the agenda and resolutions to be discussed have been sent to your Local office. Saturday morning the Provincial Executive Report and the Local #4 Sucession Inquiry Sub-Committee Report will be presented.

An examination of the constitutional amendments and resolutions recommended that will be considered by the 1982 Convention indicate that significant changes are being proposed for the future of AUCE. We hope that all members of Local #4 will participate in this process.

We urge all members to attend the Convention.

Sincerely,  
The Provincial Executive
