The President and Executive,
AUCE,
Campus.

I would like to protest in the strongest terms the mailing across campus of the "junk" which arrived this morning - "Union Women Speak". We are far from being the "poor, downtrodden" in this University and I think that this juvenile mailing, and confrontation tactics, are only going to serve to antagonize. As a matter of fact, not only will it serve to antagonize - if there are further letters similar to the one from "anonymous clerk", AUCE will become a great laugh across campus.

I protest also the time and money which are being used for this purpose. As one who has occasionally volunteered time in the union office and who was asked yesterday to spend some time there (presumably for this trash) I am glad that I was unable to do so.
