Dear Marina,

I am in the midst of updating the membership files and, as a result, am issuing new membership cards to AUCE members. Accompanying this letter is your new membership card which is attached to a new receipt for the initiation fee which you paid when you joined the Union. Please sign both documents. The card should be carried with you to membership meetings for identification purposes and for when you are casting ballots on union issues. The receipt is for your records.

Please do not hesitate to contact this office if you have any questions on this or other union matters.

Yours truly,

A handwritten signature in cursive script that reads "Wendy G. Lymer".
