RE: HANDRAILS AND GUARDRAILS, G.S.A. BUILDING

This memo is in reply to your memo of November 20th, to Mr. Keith Wilson.

The handrail at the west exterior stairway has been designed and transferred to our Operations and Maintenance Division for installation. The installation of the handrails is scheduled for December 1984.

The design of the guardrails at the north exterior stairway is still in progress and will be installed when design is completed.

DRH/cas  
cc. K. Wilson, Physical Plant  
R. Grant, Personnel Services
