Re: Medical Services Association
Extended Health Benefits Plan

We are pleased to advise you that the Association of University and College Employees, Local No. 1, has advised us that they are prepared to accept the above-mentioned Plan, effective July 1, 1974, which was recently granted to the Faculty and other unions' members.

I understand that you inadvertently sent notices out to all persons concerned on the 1st of May. It should not be necessary to take any further action.
