Dear Mr. Kadey:

Our current collective agreement contains a letter of agreement with the University of British Columbia to set up a joint committee to review benefit plans.

Jane Strudwick has indicated she has contacted you requesting representatives to serve on this committee. We would appreciate it if you would let us know how your union feels about the concept of reviewing our benefit plans, and if you have complied with Ms. Strudwick's request.

I am enclosing a copy of our current collective agreement and would greatly appreciate receiving a copy of your most recent collective agreement as well.

I look forward to hearing from you very soon as we are most anxious to activate this committee.

Yours truly,

Wendy Bice
