Dear Sir ;

As requested, we are sending to you,

copy for L. Kempff, with 2 copies

under separate cover, our 1925 Catalogue and other literature
dealing with our Exhibition.

Would say that other foreign countries

X for Kuros
A. B. on
200/12/16

do exhibit with us but, unfortunately, we have such a long
waiting list at the present time, there is no immediate
prospect of any space becoming available for other exhibitors.

Yours very truly,
CANADIAN NATIONAL EXHIBITION ASSN.

H. J. Smith
of the Association and

N. V. Hansplant,
Asst Mgr & Secy.
