Mr. Erik de Bruijn  
Assistant Librarian  
Admin. Services  
Main Library

Dear Mr. de Bruijn,

I regret that I am unable to accept the Library Assistant 3 position in the Law Library. At the time the position was offered to me, I had already accepted re-election to a second term in my present, full-time Union position. I appreciate having had the option of recall under Article 34.06. Pat House has advised me, after a phone conversation with you, that we have a mutual understanding that this option was in addition to my rights under Article 7.02 (Union leave), since my leave of absence commenced before my lay-off.

Yours truly,

Ted Byrne  
Union Coordinator
