Dear Friends:

Please find enclosed our cheque in the amount of \$25.00. This amount, we understand, will give us membership in the Coalition plus we will receive your journal *Second Opinion*.

We are a trade union whose membership is 93% women and we are most interested in receiving your journal plus any additional information you put out.

We are involved here in a study of our bargaining unit with respect to the effects that video display equipment have upon them. If you are interested we could make this report available to you.

Good luck in your endeavours.

Yours truly,

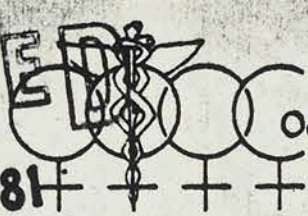

Carole Cameron

P.S. I am enclosing, for your information, an article that appeared in one of newspapers last week on the subject of IUD's.
