Dear Sir:

Although our union is not a CLC affiliate we would appreciate the following information from you, if at all possible:

- your position on mandatory retirement
- the proposals you made to the Croll Commission concerning the revised role of the Canada-Quebec Pension Plans

I am interested in making some revisions to our Article on retirement for the next collective agreement. Also, we are presently involved in an arbitration in this matter. Our position is that retirement should be a matter of individual choice.

Thank you for any assistance you can provide.

Yours truly,

Carole Cameron
