Dear Sir:-

I have your letter of June 9th, and beg to thank you very sincerely for the information you were kind enough to give me. The German firm in question are Messrs. Kopp & Schlenker, of Schwenningen, and their Canadian representatives are the Overseas Novelty Co., of 12 Bloor Street East, Toronto.

In order to clear up the discrepancies between the information which has been given to me by the last named firm and your letter of June 9th, I should be obliged if you would kindly look into this matter again and give me, strictly confidentially of course, the reasons why the application from the Overseas Novelty Co. has been declined, if that should have been the case. I observe from your letter that all space allotments for this year are complete.

Yours very truly,
