RE: USE OF PHOTOGRAPHS IN NEWSLETTER

Cost: \$2.50 per photo.

Phoned Sarah at Press Gang, 253-1224.

Use glossy, black and white, high contrast photos.

Would be helpful to have them the size wanted in the newsletter so they wouldn't have to be enlarged or reduced. Remember that the shape doesn't change in enlarging or reducing.

For layout, paste a piece of black paper or cut a hole where the photograph should be. Indicate which photo should go where by putting numbers on back of photos.
