Dear Friends:

Your letter of May 4, 1982 was reviewed by our Executive on Thursday, May 13, 1982.

Be assured you have the support of our union in your struggle to obtain a first contract with Malkin & Pinton in Prince George. Further, we will be advising all of our members through our union meeting and newsletter of your situation. We will urge our members to respect your picket lines and ask them to refrain from accepting or using any products shipped from any of Malkin & Pinton branches.

We wish you success in your fight with this employer.

Fraternally,
