Attention: Susan Lockhart

Dear Susan:

Enclosed herewith please find copies of all arbitration awards our union has had with respect to the issue of reclassification. Please pass them on to David Fairey when you have finished with them since I did promise to send him these same copies.

Also, can you please leave a phone message for David from me to have him call me on Monday or as soon thereafter as possible. We wish to engage him to act as our expert on discussions with the University on new Standard Job Descriptions for our group here at UBC.

Thanks for passing the above message along for me.

Fraternally,

Carole Cameron
