German Consulate,
Montreal

Dear Sir:

I should like information concerning the entry of goods from Canada into Germany: the approximate duties on standard goods; those free of duty; and those prohibited.

I am not interested in this information from a business stand-point but merely in connection with the sending of personal gifts to friends in Germany.

J. H. G.

I shall be very grateful for
any attention given this inquiry.

I am,

Yours very truly,

Margaret Haygarth.
