Ray - I've been having questions asked of me from Rosina which possibly you could answer and tell either her or ask Carole to tell her.

1. What about the retro pay for the picketers (people whose buildings are being picketed). They will have been paid by the ~~University~~ Union, not the ~~Univ~~ Univ.
2. What if \$50.00 assessment doesn't pass?

Ray:

Since this strike could go on for awhile, it would be a good idea to order some styrofoam cups and lids from a paper company, in bulk. Try Smith Paper Ltd., 7168-14th Ave. Burnaby, 525-9644 - I have heard that they deliver. Simeon just went out to the 7-11 to get some. Very expensive.

Simeon never returned so it is necessary for someone to get some cups as soon as possible - we're completely out.
