CAMPUS MAIL

Dear Mr. Grant:

In response to your letter of December 15, 1982, AUCE Local 1 agree with your recommendation that a joint Union-Administration Committee on Video Display Terminals be established.

Our union has done extensive background reading on the subject of V.D.T.'s and their relation to occupational health and safety.

Since this is a major area of concern for our members, we would like to suggest that:

- 1) the number of AUCE members on the Committee equal the number of non-AUCE members;
- 2) there be 4 AUCE representatives
- 3) this Committee be separate from the President's Advisory Committee on Safety.

We await the result of your recommendation to the President's Office and the commencement of this Committee.

Yours truly,

Wendy Bice
Union Co-ordinator
