Messrs. C.B. Backer Co.Ltd.,  
Victoria Building,  
Ottawa, Ont.

Dear Sirs:

I beg to return herewith the invoices and certificates which you have sent me for certification. In reply I would like to say that no certification is required regarding *Canadian* goods entering Germany from Canada.

If you insist I can, of course, certify the various signatures of the notary, cost of which would be \$2.97. *each*

Yours very truly,

for L.Kempff  
German Consul General.
