AUCE ASKING FOR SUPPORT FROM ALL MEMBERS OF THE UNIVERSITY COMMUNITY.

STUDENTS, FACULTY, TEACHING SUPPORT STAFF and ALL UNION WORKERS are being asked to RESPECT AND JOIN the AUCE picket lines on MONDAY JANUARY 29, 1979.

This is the first time since negotiations began last September that the Union has asked for such a display of support. Rotating strikes were specifically adopted to put maximum pressure on the Administration while causing minimal disruption to students who were involved in end-of-semester papers and exams.

Continuous rotating strikes since December 5 have STILL not evoked a serious offer from the Administration which would reflect any appreciation of the value of AUCE work. Presently there are no negotiations as the Administration stalls in the hope that the Union will capitulate.

## STANDING TOGETHER

AUCE members have recognized from the beginning that the University Review Committee's report implicates all faculty, staff and students in a drastic cutback policy. AUCE has tried to work towards a SOLID OPPOSITION to the philosophy which sacrifices quality to economy.

Although weary and financially strained, AUCE is determined to continue fighting for a respectable offer. We need to show the University Administration that faculty and students appreciate the value of AUCE work and support our demand for a decent contract.

We urge you to notify your department and professors of your intent to support AUCE by not crossing the picket line on January 29.

## MASS PICKETING

STUDENTS, FACULTY, TEACHING SUPPORT STAFF, AND ALL UNION WORKERS ARE BEING ASKED TO JOIN IN THE PICKETING between 12:01 am Monday morning and 12 midnight Monday.

There will be a motor-home at the picket site with coffee & restroom facilities.

MASS PICKETING is legal provided people respect the 2 following rules:

1. Picketers MUST REMAIN ON THE TRAFFIC ISLANDS which are public property.
2. There must be NO CARS parked at the lights (this would contravene the Motor Vehicle Act). A shuttle service will be provided from Strike HQ to picket area.
