Brothers and Sisters;

On behalf of the membership of C.A.S.A.W. Local #1 I would like to express our solidarity with your Union and with the struggle against the vicious attacks against your organization by the police, big business, and the government.

Our donation to your defense committee is small, however it is given in the true spirit of Union solidarity. Our Union and many of our members have experienced similar acts of oppression and wish to extend our full support to you during your present crisis.

Thank you.

In Solidarity;

*Wiho Papenbrock*
