Mr. Wes Clark
Employee Relations
Mary Bollert Annex
U.B.C. Campus

Dear Mr. Clark,

In accordance with Article 7.03 of the current collective agreement AUCE Local 1 has proposed to conduct a seminar for all Local 1 stewards on the 17th day of June 1976.

We are, at this time requesting one day's leave of absence without pay for all individuals involved as well as for six Union representatives referred to as Resource Persons.

Enclosed you will find the list of persons required to attend. This list has been updated as of today's date and differs slightly from the list I sent you dated May 19, 1976.

The Union is well aware of the time consuming process involved in making individual deductions of pay and would therefore suggest that in the event the University is amenable to billing Local 1 for such deductions that this matter would be handled most expediently.

Sincerely,

Fairleigh Funston
Union Organizer
on behalf of the Local 1
Executive Committee
