

KATE EASTMAN

AN INVENTORY TO HER PAPERS

IN

THE LIBRARY OF THE UNIVERSITY OF BRITISH COLUMBIA

SPECIAL COLLECTIONS DIVISION

PREPARED BY: REGAN DIXON

MAY, 1988

INTRODUCTION

Katherine Isabel Eastman was born in the 1880's in Ontario, where she spent her childhood. In 1907 she became an elementary-school teacher, conscientious and energetic. After an interlude of being manager to the poet Bliss Carman, whose 1923-1924 transcontinental tour she directed, she again took up her vocation of teaching where she settled in Vancouver. Through Carman, Miss Eastman met Dr. Ernest Fewster, founder of the Vancouver Poetry Society. She became very close to the Fewster family, and an active member of the V.P.S. She formed close friendships with several of the members whose papers are collected here. After Carman's death in 1929, Miss Eastman returned to teaching, and did her best to instil enthusiastic appreciation of Carman, and her other poet friends, in the minds of her pupils and the public.

GUIDE TO THE INVENTORY

The material in the Kate Eastman Papers, (a donation from Owen Lauritzen) is correspondence, autographed poems, photographs, and other memorabilia of Miss Eastman's more - and less-well-known friends, many of whom were connected with the Vancouver Poetry Society. Much of the material was collected and saved by Kate Eastman herself.

The papers are divided into series according to the source that generated them: Bliss Carman, Sir Charles G.D. Roberts, Marshall Saunders, and Sir Rabindranath Tagore are some of the better-known people who give their names to various series; local persons include Col. George Fallis, Dr. Ernest Fewster, Noel Robinson and Henry A. Stone.

The various series, as listed in the table of contents are:

- Letters: incoming
- Letters: outgoing
- General correspondence
- Manuscripts: poetry
- Manuscripts: poetry, collected
- Typescripts: poetry
- Typescripts: poetry, collected
- Radioscripts
- Notes
- Notebooks
- Reports
- Records
- Minutes
- Legal documents
- Memorabilia
- Covers
- Printed material
- Photographs
