believed to have been granted herein for payment and
the Registrar has also searched for the same in my
presence but it could not be found.

3. I have enquired of Mr W. T. Drake the solicitor for
the defendant William Rowland within the last three
months if he still represented the said William Rowland
and he ~~has~~ said that he had not seen ~~or~~ heard from him

had nothing more to do with the suit. Mr Drake made an
statement publicly in Court on being spoken to about it a
month since.
