Dear Keith,

Re: Ahn, Hoffman & Pinard Arbitration

I received your letter on Monday, August 15th in regards to the timing of the filing of the written briefs. I would like to thank you for your letter and I am pleased to inform that we have just concluded this set of negotiations - ten and one-half months after the expiry date of the last contract.

As my involvement in negotiations is now at an end, I will be able to give full concentration to the Ahn, Hoffman & Pinard arbitration. I think that I will need one week at the maximum to complete my written brief, at which time I will mail copies to you and to Mr. Fox. My self-imposed deadline is as follows: the brief will be completed and in the mail Wednesday, August 24th.

My apologies for the delays.

Yours very truly

  
Ray Galbraith
