OCTOBER 16th 1977

7:00 pm am.

a letter was sent to the secretaries of each local outlining the philosophy and 'birth' of the AUCE/SORWUC committee. Dated 11 July 77 sent by Melody Rudd, then sec./treas. of auce provincial.

basically - the 4th annual auce convention recommendations were as follows:

- that the auce/sorwuc committee should include the Provincial full-time person and at least one rep. from all locals of Auce.

-that auce and sorwuc continue to work to organise unorganised workers and promote union democracy.

- that this cttee. discuss the possibilities of merger, affiliation or other formal joint structures with sorwuc such that auce members may have more direct input and control on the organisation of unorganised workers by this cmmttee.

- that the auce/sorwuc cttee. be authorised to organise a joint steward seminar and other joint educational activities.

The first meeting was July 8th, and another held later in August. Sheila Perret attended as rep from local #4.

Two other planning meetings have been held and another ^{was} is scheduled for tonight Sept. 21st. I am unable to attend. Anyone wishing to go and take part in the essential activity please let me know and I will forward your names to the provincial sec./treas. Judy Wright.

The seminar will be held at CapCollege, all day on the 16th Oct. 9.00 to 5.00pm. Lunch will be provided.

The day will be organised around the following activities:

~~1. Affiliation report from the joint cttee.~~

1. What is a steward.

2. A film will be shown - "Union Maid"

3. Lunch from 12.00 to 1.00pm

The lower mainland folks of both organisations will conduct the first 2 hours of the seminar. Tonight's meeting will be to plan those first two hours.

In the afternoon each local will be called upon to present a grievance procedure, either by role-play or simply a good explanation of the contract procedure that local must follow for a grievance.

Hopefully a video will be made of the conference so that each local can refer to it when staging its own shop steward seminar.
