Dear Sir:

The Executive of the Association of University and College Employees, Local 1, covering 1,500 clerical and library workers at the University of British Columbia, passed the following at our meeting on January 28, 1982:

WE, THE EXECUTIVE OF THE ASSOCIATION OF UNIVERSITY AND COLLEGE EMPLOYEES, LOCAL 1, MAKE THE FOLLOWING DEMANDS ON THE MILITARY JUNTA IN POLAND:

1. Immediate release of Lech Walensa and all Solidarnosc elected National Committee and Executive Praesidium
2. Immediate release of all interned Solidarnosc members
3. Immediate removal of all military personnel from Solidarnosc headquarters
4. Lift ban on Solidarnosc
5. Immediate lifting of martial law

AS UNION MEMBERS AND SUPPORTERS OF SOLIDARNOSC, WE WILL CONSIDER, UNTIL THESE DEMANDS ARE MET, ALL GOODS TO AND FROM POLAND - THOSE WHICH DO NOT GO DIRECTLY TO SOLIDARNOSC, THE RED CROSS OR THE POLISH CHURCHS AS SUGGESTED TO US BY SOLIDARNOSC REPRESENTATIVES HERE IN CANADA - AS BEING PART OF A UNION BUSTING OPERATION.

I would ask that you refer the above to General Jaruzelski and the Polish government as you are its official representative in Canada.

Solidarnosc, with a membership of over 10 million people, is a legitimate statement of the will of the Polish people and must be recognized as such.

Yours truly,

Carole Cameron
