

Association of University and College Employees

LOCAL No. 1 (U.B.C.)

December 6, 1975

TO ALL MEMBERS OF THE BOARD OF GOVERNORS:

We acknowledge receipt of your letter of 9:00 a.m. December 5, 1975, and have taken note of its contents.

It is unfortunate that the Chairman of the Board has chosen a sexist analogy to illustrate his point especially insofar as a central motive for our strike action is the elimination of discrimination against women.

We are gratified to hear that you seem to have a full appreciation of our position.

Sincerely,

All members of the AUCE contract committee
