Dear Mr. Mackenzie:

Subject: Appointing Representative from your  
Union to the President's Safety,  
Security and Fire Prevention Committee

It has come to our attention that your Union has not nominated a representative to serve on the Safety, Security and Fire Prevention Committee.

The committee is made up of representatives from major operating departments: C.U.P.E. Local 116, I.U.O.E. Local 882, A.M.S. and Faculty advisors and usually meets on every second Wednesday of each month.

The prime concern of the committee is to introduce measures to prevent accidents and hazards, to make working conditions safe for all employees and students and to pursue matters related to unsafe practices.

We would appreciate it if you would give this matter your urgent attention.

Yours sincerely,

S. K. Chung, Secretary,  
Safety, Security and Fire  
Prevention Committee
