

**INTERDEPARTMENTAL
MEMORANDUM**

TO The Executive, Local #1, AUCE

c/o Union Office

2162 Western Parkway

FROM Suzanne Vaughan

Division C

Department of Psychology (Shop Steward)

September 29, 1975

Regretfully pressure of work prevents me from devoting adequate time to the commitments inherent in the position of Division Representative. I am therefore obliged to resign from this position. The same pressure of work, combined with the fact that there is no other individual in Division C on whom I can call for support, prevents me from taking the necessary steps to have a successor elected.

I notified the Union Office, by 'phone, of my resignation some three weeks ago - I trust that the message was relayed, and I sincerely apologize for the unforgivable delay in submitting written notice.
