Attention: Mr. Mike Davis, Director

Dear Mr. Davis:

Further to the inspection of your premises on 1981-11-13, and our conversation at that time, the following corrective measures are required to comply with the Factory Act and Occupational Environment Regulations of British Columbia.

OFFICE

1. Washroom

Provide washrooms for the employees in accordance with Division XIII of the Occupational Environment Regulations (copy enclosed).

The present practice of sharing washroom facilities with up to 370 Cafeteria patrons is not acceptable.

Completion of the above is required within a reasonable period of time. A reply advising us of completion, or your schedule for completion is required within thirty (30) days.

For further information or clarification, please contact the undersigned.
