Dear Sir:-

It seems to be a very difficult matter to obtain any satisfactory information from any of our Post Office or Customs authorities, on parcels going to Germany for the Christmas season. I have consequently been

directed to you, and am
writing hoping soon to
receive all necessary
particulars, including
size, weight, contents,
and duty to be paid on
arrival. I have been
told that the last boat
sure of being on time,
leaves Montreal on the
twenty-ninth instant, is
this correct? Thanking
you, and looking for an
early reply I am

Yours truly,

C. M. Apps,
