Dear Mr. Clark:

Re.: Grievance, Ms. June Humphreys

In response to your letter of 15 March 1976 the Union wishes to inform the University that we do not consider a meeting between a "sub-committee" of our Committees, Ms. Humphreys and Ms. Young to be either necessary or beneficial to our member. We remind the University that the grievance has been filed by the Union against the University and therefore all discussion of the resolution of this grievance should take place before our full Committees. Further, we request a written reply to this grievance from the University Labour Committee in order that its discussion can be concluded at our next joint meeting.

Yours sincerely,

Marcel Dionne,
Chairperson,
AUCE Local 1 Grievance Committee
