Attention: Dental Care Plan

Dear Sir or Madam:

I am in receipt of the formal agreement between Medical Services Association and the University of British Columbia, Dental Care Plan Service Contract No. D39 issued the 5th day of October 1973. On behalf of our members we have a number of questions:

1. the amount of premiums paid by AUCE participants each year since 1973?
2. what has MSA paid out each year since 1973?
3. what have the claims for AUCE participants been each year since 1973?
4. how many, of the supporting staff at the University participating in the Plan, belong to this union?
5. what are the ages and marital status of these participants?
6. who decides eligibility in the Plan?

Your assistance in this matter is anticipated.

Yours truly,

Carole Cameron
Union Organiser
AUCE Local 1
