Dear Sirs,

I am in receipt of your letter of the
6th inst., regarding increased prices of worm-gear
Chain Blocks quoted by Gebrueder Bolzani, G.m.b.H.
I presume that the increase in prices is due to an
increase in the cost of raw material. We could talk
this matter over when I am in Toronto the next time.

The writer wishes to extend his personal
regards to Mr. Alison.

Yours very truly,

(Dr. Anton Wagner)
Commercial Attaché
