Dear Mr. Clark:

Re: Anti-Inflation Board application

The Union wishes to inform the University that, at date of writing, there is in existence no "tribunal of competent jurisdiction." At such time as the Provincial Government brings down legislation to cover provincial institutions, we will examine such legislation and review the situation.

We therefore cannot comply with your request to make a joint application to the Federal Anti-Inflation Board, and would consider a unilateral application on your part to be highly improper.

Yours truly,
