Dear Sirs:

In reply to your enquiry of November 24th I beg to say that authentic information with regard to German customs duties can only be given by the German customs authorities from whom it may be obtained through the American consular representative in Germany.

Without obligation I would say that, as far as I can see, the rate of duty on honey from Canada is RM 80.- per 100 kilos, including the weight of containers.

Yours very truly,

S/H
