TO The Executive - AUCE Local 1

FROM Ann Hockey

April 14 19⁷⁵

I wish to inform the Executive and Trustees that I am resigning from the Executive of AUCE Local 1. I have a number of reasons for resigning, one of which, is that my work will be taking me off campus for fairly long periods this year, and I feel that I will be unable to carry out the office of Vice-President effectively. I very much regret having had to take this decision. I have considered the matter carefully - and have had the benefit of a vacation in which to do so!
