Mr. L. Kempff,
Consul General, (Germany)
Montreal, Quebec.

Dear Sir;

We wish to return to the Ernst Beckert Co., Chemnitz, portion of a shipment of Needles which are not according to our order.

We presume on a transaction of this kind that goods should be admitted to Country of Export 'duty free' but we have no forms to make up the necessary documents, and were wondering if you have any of these on hand. The U.S. Customs Service supply a form as per copy enclosed, which you will note gives details of shipping, reasons for return, etc. and, on supplying this information to the Port of Entry, shipment may be dispatched to original shipper 'duty free'.

If you have forms which will enable us to send back

Deutsche Zollamt

these Needles in this manner, we would be pleased to have a few,
as we believe this would facilitate the handling quite considerably.

Thanking you in advance for your attention in this
matter, we remain,

Yours truly,

MD/R
