Dear Ms. Kerry:

Late in March this year, we sent a letter and cheque for \$10.00 to Val Pippus to cover the packet of reprints of material on the equal pay issue available from EPIC. I spoke to Ms. Pippus two weeks ago and she told me that our letter and money had been passed along to you.

I have tried on several occasions to phone you without success. Can you please advise me whether we can expect receipt of the material or return of our cheque. Thank you.

Yours truly,
