CAMPUS MAIL

Dear Lid:

Please check the following Workers' Compensation Board regulations -

Article 78.31 on pages 78-10 and 78-11 of the Industrial
Health & Safety Regulations

PLUS

Article 78.01(g) on page 78-2 of the regulations book

I understand that no one in any of the campus hospitals is being tested.
What can we do, possibly as a member of the University Safety Committee to remedy
this?

Yours truly,

Carole Cameron
