Dear Sir :

I am in receipt of your letter dated October 11th,
and also copies of correspondence "Industrie und
Handel" which I studied with interest.

As much as I would like to be of service to this
organization, I see now that my time, unfortunately,
does not allow me to write such reports, which re-
quire quite an exhaustive study of the commercial
conditions in Canada.

Regretting very much my inability to be of assistance
to you at this time, I am,

Yours faithfully,

DR. F. ZEIDLER.
