R.E. Grant
Director,
Employee Relations Department

Dear Mr. Grant:

The usefulness of the University Safety Committee has been brought to the attention of A.U.C.E. Local 1's executive. We are interested in sending a representative of our union to the next meeting of this committee. Please advise this office when the next meeting will take place as well as the time and place of such a meeting.

This union's representative will be Marjorie Butt from the Department of Oceanography. Her local is 3278. I expect her department head will be advised should she be required to attend a meeting during working hours.

Thank you for your anticipated accession to the above request.

Yours truly,

Carole Cameron
