

Press release - August 14 th 1974

The AUCE contract committee and the UBC administration have made progress toward resolving and narrowing a number of non-monetary issues in AUCE's quest for its first contract. However as of Wednesday August 14th Ed Sims the ~~mediator~~ mediator indicated to both parties that our "big problem is cash". In light of the August 8th 85.5% strike vote and of the wage issue as a top priority of the AUCE membership, AUCE will serve 72 hour strike notice tomorrow morning Friday August 16th.
