Re: "Canada's Foreign Relations" Exhibition

Tudor Hall, September 16th to 30th, 1933.

Gentlemen:

1) Will you please send us at your early convenience, as complete a list as possible of exhibits to be displayed in your country's booth? It is important that we should have this at an early date in order that our display department may plan the exact lay-out and setting of the stands.

4) We would again ask you to include a quantity of novelties and curiosities characteristic of your country, to break the monotony of a straight merchandise display. Will you please also make sure that there will be a number of 3) current stamps, bank notes and coins of your country. These will be set under glass with a notice indicating their values in Canadian exchange. We are anxious to have this identical display in every country's stand.

No sugg. 4) Some space in every booth will be set aside for the display of Canadian exports to that particular country. We should appreciate any suggestions as to what Canadian commodities you consider particularly fitting for your country's display.

The following are participating in the exhibition:-
Belgium, Canada (Department of Trade and Commerce), Denmark, France, Germany, Great Britain, Holland, Italy, Norway, Poland, Spain and Switzerland. There are one or two other countries, the participation of which is not quite certain.

Yours very truly,

JAS. A. OGILVY'S LIMITED.
