Dear Mr. Kennett:

Further to our lunch meeting of today's date I am enclosing herewith a copy of the Group Life Insurance Benefit and Disability Income Benefit pamphlet I promised you.

In addition, I have today requested information from the University concerning the age, sex and salary plus accumulated sick leave of our members. Hopefully we will be able to break down this information to indicate how many people are continuing full-time employees, part-time employees, temporary employees and sessional employees.

When I have a response from the University I will write to you again.

Yours truly,

Carole Cameron
