

WHEREAS AUCE has taken a position that students honor the picket line, and

WHEREAS the Board of Directors is unclear at this time whether students will comply with AUCE's request,

BE IT RESOLVED THAT the U.C.B. will be temporarily closed subject to review later this week.

The Board of Directors of the U.C.B. passed this motion because it felt unable to ascertain student views as to whether the U.C.B. should be open during the current labor dispute.

Any input by students would be welcome by the Board with respect to this question. Students wishing to give input are urged to write a note with name and student number stating his or her view and deposit the note either:

1. through the doors of the U.C.B. where it will be picked up by Board members.

2. at the temporary S.F.S.S. office, [REDACTED] Burnaby, B.C.
