Dear Ms. Justice:

Many thanks for your very informative letter of April 8, 1982. You advised me that the "Berwick Preschool Program will continue to utilize the lovely facilities of the Bob Berwick Memorial Centre to provide specialized daycare for children with handicaps and an integrated program for non-handicapped children for the foreseeable future."

I understand, from your letter, that the University has participated in the funding of the Berwick Preschool in the past but effective the end of March 1982, due to retrenchment, will no longer do so.

The Berwick Preschool/Daycare program will continue to be ongoing at UBC and my copy of this letter in our Newsletter will advise our members of this.

Our request for use of the space was never to be at the expense of the Preschool - I know you are only too familiar with the difficulties of finding adequate facilities for daycare.

Yours truly,
